Society of Actuaries

Dan has been appointed the General Officer – Education for the entire Society of Actuaries (SoA). In this role, Dan will be responsible for the course of study of future actuaries primarily in the US and Canada.

Dan was selected a “Dynamic Leader” by the SoA. The SoA, looking to revitalize their brand image, chose about a dozen actuaries who are leading the industry forward. This was a great honor for Dan – and very fun – he was filmed on location at Walden Pond in Concord, MA. Watch out Hollywood!
